SUMMARY

I am currently pursuing MCA at Visvesvaraya Technological University (VTU) with a strong focus on front-end web development. Proficient in React.js, HTML, CSS, JavaScript, and Node.js as well as beginner in Flutter(Dart), and Firebase for mobile app development.

WORK EXPERIENCE

Web developer intern (Remote)

Dec 2023 - Jan 2024

Developed two projects during online internship [Resume Builder](#) and a [Web music player](#) which helps me to better understand and apply my knowledge of HTML, CSS and JAVASCRIPT.

PROJECTS

[View project](#)

Tech: React.js, Node.js,

– A website using React.js and Node.js to showcase my projects, skills, and experience. The website features a clean, modern design and is fully responsive. It includes sections for my resume, project portfolio and contact information. This project allowed me to demonstrate my proficiency in React.js and Node.js, as well as my ability to design and implement a complete web application from scratch.

Community Care Web App

[View project](#)

Tech: Flutter(Dart), Firebase

– A mobile application using the Flutter framework and Firebase for the Smart India Hackathon 2023 project by AICTE. It allows users to post local issues such as sanitation and other municipal concerns directly to their local municipal corporation. Municipal corporations can then track these issues, update their status, and communicate with the users. The project involved designing a user-friendly interface for both citizens and municipal staff.
